

# TOWN OF FLEMING

## SRING CLEAN UP-DAY

Fleming Town Garage

**Saturday, May 20<sup>th</sup> 8:00 a.m.-1:00 p.m.**

Clean-Up Days are a service for the Town of Fleming property owners. Its purpose is to help residents keep their properties neat and tidy, by disposing of junk and debris generated within town limits. We ask at this time, one truckload or trailer per household. This event is not for household trash, which can be disposed of at the Recycling Center with a valid permit (Saturday recycling business as usual!). The Town Highway Superintendent in charge at Clean-Up has the right to refuse items that are deemed inappropriate for disposal.

**NOTE:** You will be asked to sign in and bring your driver's license to show proof that you own property in the Town of Fleming. A Town member will be recording this information so please have this available upon your arrival.

Items that we **CANNOT** accept due to landfill regulations:

- hazardous material of any kind including chemicals
- batteries, liquids, pesticides
- oil cans, fuel tanks, propane tanks
- paint cans unless emptied or dried
- infectious material and medical waste
- tires, vehicles, mowers, boats, cut up house trailers
- electronics and items containing freon
